Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

AMY'S FRIENDSHIP BRACELET (PAPERBACK)

Strategic Book Publishing & Rights Agency, LLC, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Amy Taylor, now in the sixth grade at Longwood Academy, is learning a valuable lesson about friendships. Because of her father's huge promotion at work, the family is able to afford a house nearer to the academy. The good news is that Amy no longer has to take the school bus. The bad news is that she no longer lives in the same neighborhood as her long-time best friend Naomi Davis. Amy is finding it increasingly difficult to spend time with Naomi. Instead of just Amy and Naomi doing things together, Amy's new school friend, Michelle Porter, has squeezed herself into the mix. Naomi is not pleased that over the remainder of summer vacation, her time with Amy is increasingly being shared with Michelle. From bike rides to art projects to shopping at their favorite craft store, things are changing between the old friends. Amy hasn't noticed the effect Michelle's company is having on her relationship with Naomi. How long will Naomi play third wheel, taking a back seat to Amy's relationship with Michelle? Will it be too late for Amy to restore her friendship with Naomi? Vicki D. King is the author of six other books, including four romance novels, one biblically based inspirational book, and now two children's books. Her first children's book, Amy's New Dress, is available in several elementary school libraries in and outside of Ohio. She welcomes the opportunity to speak at elementary schools to introduce her children's books to students. Her books delve into the topics of bullying, teasing, taunting, and friendships. She has been married to Bill King for over 30 years, has two grown children, and two grandsons.
